

GEORGE MASON UNIVERSITY'S Mason Inn Conference Center Hotel Under Construction

February 2nd, 2009

University Hotel Partners, a partnership between Concord Eastridge, Inc and Balfour Beatty Construction began construction on the 149- room Conference Center Hotel on the Fairfax, Virginia campus of George Mason University. Being built to the standards of the International Association of Conference Centers, this new Conference Center Hotel is expected to be completed in the spring of 2010. The new Conference Center Hotel will be managed by ARAMARK Higher Education and will include a full service dining room, a lounge, ballroom, junior ballroom and 10 additional meeting rooms.

Concord Eastridge is serving as the Development Manager and has been involved in all aspects of the design and development of the project.
