October 7, 2009

The Eagle Village construction site changes every day. More than 250 workers are on site to help bring this project to life and have it open for students in time for the beginning of the 2010 academic year. The video below offers behind-the-scenes documentation of the monumental effort involved in completing the Eagle Village project.

Click on the arrow/play button to start narrated video, then put on your hard hat to join Jeff Rountree, CEO of the UMW Foundation and President of Eagle Property Holdings LLC, to view buildings in progress. See bricklayers, wiring and plumbing operations, the fabrication yard, and even a mock-up of a student apartment.

Video running time: 13 minutes
